Corey Burr, Broker

With career sales in excess of \$291 million and over 25 years of full-time experience, Corey has had success in all kinds of markets. As a lifelong resident of the area, he knows the character of nearly every block in NW Washington, Chevy Chase, Bethesda, Potomac and Kensington. Because he makes the effort to preview hundreds of houses each year, he can provide excellent pricing advice to sellers and buyers. Couple that with his keen acumen for deal making and negotiations as well as his cutting-edge marketing techniques, and you have a fully-informed, tireless advocate for your best interests.
