

Contractors

by admin - 03-01-2011

<http://coreyburr.com/resources/contractors/>

This list is intended for informational purposes only. Burr Residential Properties receives no referral fee or compensation from these contractors in the event you use their services. We have had positive experiences with each one of the firms listed below, but we would appreciate your input regarding your experiences with these or any other contractors. If you have any suggestions regarding other services that might be added to this list, please tell us. We keep this list updated, so please call us if you would like the most recent edition. Entries are listed alphabetically within category and companies with websites link directly and are featured in blue.
