Spectacular property designed by Sutton Yantis Associates Architects, built by Mitchell, Best & Visnic and interior design by renowned Barry Dixon at the end of a quiet cul-de-sac in desirable Marwood, just past Potomac Village. After the Marwood mansion, this is the gem of the neighborhood! Extraordinary attention to detail in all rooms. Featured in House Beautiful and Decor magazines.

Take a few moments to explore the home and its many wonderful features in our narrated [video tour](#).
